# GO ON New bars!

## GO ON ENERGY and VITAMIN BARS

Delicious bars created for people who love sports, but at the same time they love the taste of classic sweet bars.

We created snacks that fit in to the idea of the GO ON brand - they provide healthy energy. Thanks to the vitamins contained in the composition, they support energy metabolism.

Their taste was modelled on market leaders: Snickers and Bounty. However for some people they might even surpass the taste of these popular bars.
